40 DAYS

S.O.A.P. RESOURCE

Using our daily “40 Days with Jesus” scriptures and a notebook or journal, we will use this method to aide in walking a spiritual journey together, 40 Days with Jesus. This is a great method for meeting together daily with co-workers, friends, etc.

If you’ve never heard of the SOAP method, the premise is simple. SOAP is an acronym to help you remember:

FIRST

we read a passage of scripture. Then, we pick out a particular verse – or group of verses – that was especially meaningful to us. **We write** that verse at the top of our journal pages.

NEXT

we make observations about the verse. For this portion, we focus on facts. Answering the usual **who, what, where, when, why, and how questions** to help us figure out what God may be teaching us based on the context of the scripture.

THIRD

we talk about how what we’ve learned applies to us and **how we can put it into practice** in our lives (Application).

FINALLY

we write out our prayer based on what we’ve learned. **We use** this as a model for our prayer for the day.
